1. “I am thine, oh Lord, and I have heard your voice and it told your love to Me. And I long to rise in the arms of grace and be ever known to thee.” To know Me is to love Me. That originated in My heart; My heart, Ted, not their heart. My Heart. To know Me is to love Me. To know Me is to know the inconsequential not, but the consequential that affects every ramification of your being--to know Me, to walk Me, to be Me.
2. You are getting it, you were getting it so clearly this morning, you are getting it: My pattern, My Me, My way, My life, My words, My reflection of My Father, your reflection of Me. How can you reflect Me and not reflect My Father if I am a reflection of My Father? I and My Father are one. You and I are one. Together: are one. Three be--mighty--one. I am Me and you are you. You are Me and I am in you and I am in you. I am in My Father, we are one. See Me. Thrill Me. Be Me. Thrill Me by being Me and not letting Me be only in your mind, in your heart, or your soul, thought, or actions here or there, words, writing--but to be Me in spirit and flesh and tangible words coming forth, tangential to My throne, in fact, intertwined with My throne, My will, My being: one. I love you.
3. Now course pursue, pursue Me in what's begun, pursue Me in the revelation this morning: My work, My work, My works, letting Me be Me.
4. How often have I spoken in the past? How often have you spoken in the past? How often have you cried--crying, crying out to Me--cried while crying out to Me: "Let me be me, let me do what I am born for, let me be me, help me please you, let me be me."
5. Ted, oh reader, hearer, wonderer, let Me be Me. Let Me be Me. Let Me come and be Me and walk Me. I love you and I give you Me.
6. I give you Me in sanctuaries and naves and staves for the righteous, staves for the passionately-pursuing-Me to contain My ways, My words, My wisdom, knowledge and understanding, words of power, ways of might, mannerisms which transcend the lowly intellectual who thinks not in Me. I love you.
7. Live in Me and let Me live in you more. Reside in Me and reside in Me more. Let Me come through your words more, let Me come through your actions more, let Me come through your heart, yielding to Me, believing in Me and who I am, and I am I Am, and I am inside you, and I Am will come through you more and more--yielded, yielded, yielded, submissively yielding to My leadership to leadership become, to leadership be, to leadership lead, to leadership flourish, and abandon all leadership-thought, to be leadershipped at My knee and leadership release, and every one of My Mine, everyone

who believes, everyone who will act and be entrepreneurial in Me. I come and I call and I confirm and I love you. I give you Me.
